AMENDMENT A

GROUP 3600

Sir:

In response to the Patent Office action of October 22, 2002, in the above-designated patent application, please reconsider the application with claims 1-12 and 19 presented as follows:

1. (Amended) A portable facility for reconditioning an antifriction bearing having components including a race provided with a raceway and rolling elements that roll along the raceway, said facility comprising: an enclosure that is portable in the sense that it can be moved by a transport vehicle; equipment within the enclosure for inspecting components of the bearing; and more

I hereby certify that this correspondence is being deposited with the U.S. Postal Service as first class mail in an envelope addressed to: Commissioner for Patents and Trademarks, Washington, D.C. 20231, on January 20, 2003.
